Co-Lin opens Early Childhood Education Technology Building

The college opened it's new Early Childhood Technology Education building. The facility serves as the College's laboratory school for early childhood education and was completed in November of 2015 at a cost of $2.4 million.

The building is 8,046 square feet and sits at the north end of campus. The masonry bearing wall building features classrooms for infants, one-year olds, two-year olds, and preschoolers along with dining space, child-friendly restrooms, a commercial kitchen, and laundry. The building also includes office space , as well as a teacher workroom, student workroom, sick room/conference room, computer lab, and student classroom.

Students enrolled in the Early Childhood Education Technology Program are able to assist in the care of children who are enrolled in the full-time day care center, which operates five days per week during the academic year. The center also has a state of the art observation window system so students and staff can view child development classrooms in action to learn best practices for early childhood education. The building also features a child-friendly playground offering developmentally appropriate outdoor play stations located on a soft-surface and features a covered play area for rainy days and abundant storage for tricycles and outdoor play gear.

The center features a covered drop-off area designed with a cantilever-style roof. Considered a modern style design, the center has a combination pitched roof and flat roof system featuring colorful light wells to bring the outdoors into the building. The facility is considered one of the most energy efficient designs on the Wesson campus with automatic thermostatic controls, Variable Refrigerant Volume (VRV) cassette ceiling units for heating and cooling, and lighting that automatically dims and brightens based on the outdoor sun levels. It is also the building the first building on campus to feature all LED lighting and full-size plate glass windows throughout the building to allow constant supervision of children.

Co-Lin 26- Itawamba 14

Co-Lin took an early 7-0 lead as quarterback Garrett Kruzcek hit wide receiver Julius Craft (Mendenhall) a 55-yard touchdown pass at the 10:47 mark in the first quarter. Kruzcek, a red-shirt freshman from Winter Park, Florida, was very efficient in his first collegiate start completing 26-of-44 passes for 296 yards and one touchdown.The Wolfpack increase their lead to 10-0 as Nickles with hit on a 36-yard field goal with 6:19 left in the second quarter.

But the Indians answered with two quick touchdowns before halftime. Sophomore quarterback Kwadra Griggs connected with Dominic Walker on an 11-yard touchdown.Zach Ellis's PAT pulled within three with a little more than three minutes left in the half. The Indians took advantage of a short punt deep in their own territory. Griggs hit Dorian Gaston from 23-yards out. Ellis added the extra point to give the Indians a 14-10 lead with a little over a minute left in the half.

The Wolfpack would try the old "hook and lateral" as Kruzcek would hit Craft who would lateral to wide receiver Alexander Hollis (Yazoo City) but sophomore defensive back Kendarius Hibbler made a touchdown saving tackle on the three yard as time expired to preserve the Indians 14-10 lead. The Co-Lin running game would get going in the second half. The Wolfpack drove the ball down the field, but the drive would stall and they would have to settle for a 33-yard field goal by Nickles to pull within one 14-13 with 8:28 left in the third quarter

Two more drives in the fourth quarter would produce field goals by Nickles. A 22-yarder would give Co-Lin a 16-14 lead and a 33-yarder would increase the lead to 19-14. A late interception deep in Itawamba territory by linebacker Zach Williams (Lena) would put the Wolfpack in excellent field position. A couple of penalties would push Co-Lin back past the 35-yard line, but sophomore running back Lekedric Lee (McComb) would bust through the line on a crucial third down play would give the Wolfpack a first down at the Indian 1-yard line. Kruzcek would ice the game plunging over the goal line with 40 seconds left in the game.

Co-Lin 31- East Mississippi 24

Co-Lin, the last team to beat East Mississippi (47-46, Nov. 3, 2012), used a sharp two-minute offense to tie the game late in regulation. The Lions had taken a 24-17 lead with 2:42 remaining when Roberts hit a wide open Dario Robinson for a 56-yard touchdown pass. Trailing for the first time since being down 7-3, Co-Lin used a masterful two-minute drill to work their way down the field. Kruzcek relied heavily on Ole Miss transfer Dayall Harris during the drive. The lanky receiver out of Callaway High School caught three passes and drew an interference penalty to put Co-Lin at the doorstep of a tying touchdown. The equalizer came with 23 seconds remaining when Lee burst through a broken tackle to score on a 5-yard touchdown run. Greg Nickles (4-4 PAT kicks) booted the point after attempt and tied the game at 24-24.

Co-Lin controlled the tempo and line of scrimmage throughout the first half. The Co-Lin offense ran 97 plays and was deftly directed by Kruzcek. Kruzcek finished 32-of-49 for 390 yards, three touchdowns, and one interception. East Mississippi did not sack Kruzcek until the fourth quarter. Lee, a sophomore from North Pike High School, tallied 226 yards of total offense (113 on 26 carries, 113 on 12 catches). Co-Lin led 17-7 at halftime after getting a 20-yard field goal from Nickles, a 22-yard touchdown pass to DeAndre Barnes, and a 40-yard touchdown pass to Alexander Hollins in the opening half.

In the first half the Co-Lin defense held East Mississippi to under 200 total yards, quite an achievement against a team that put up 764 yards of total offense in their week one win. The Lions took a 7-3 lead in the first quarter when Roberts found Isaiah Wright on a 65-yard touchdown pass. The Wolfpack defense was bend-don't-break throughout the night and made some of their biggest stops after the Lions had invaded their territory. Twice East Mississippi would go for it on fourth and short from deep inside the red zone and both times they would fail to convert. One of the biggest plays came with 6:57 remaining and East Mississippi attempting a 34-yard field goal. Sophomore defensive back Ronald Walker was able to streak around the right edge and get a hand on the Grayson Pontius kick and foil the field goal attempt that would have put the Lions up 20-17.

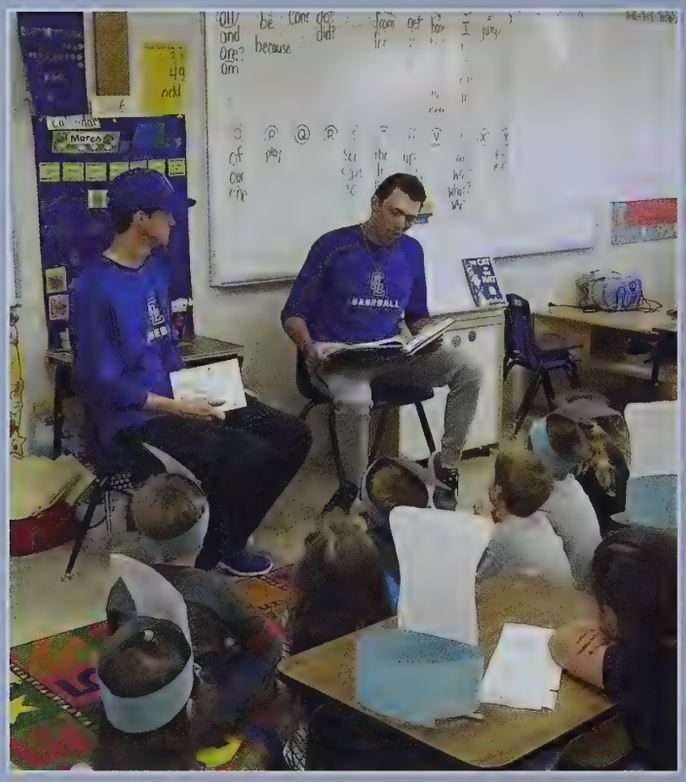
The Wolfpack Serves

Being part of the Wolfpack means putting others before yourself. Our student-athletes exemply what it means to be a servant leader as they strive to give back to our community by participating in numerous events including Coach to Cure MD, Breast Cancer Awareness, Read Across America, Ole Brook Festival and Miliatary Appreciation.

Members of the Wolfpack Baseball team visited Wesson Attendance Center to read and spend time with students.



The teams also support each other as the baseball team served up watermelon to the football team after a long day of practice, the men's basketball team picked up trash after the homecoming football game, or the baseball team reading and entertaining the children at the Co-Lin Day Care...it's all part of being a member of the Wolfpack family.
